Leaflet short-time Fellowships TRAM

Documents for Application in English:

- Covering letter from the applicant addressed to the coordination office
- Certificates (Master/Diploma) if available, otherwise hand in later
- Curriculum vitae
- Outline of the research project
- References are not required

Informations about the Fellowship

The short-time fellowship will allow the candidate to become familiar with a foreign lab and research topic. Also the project leader will get to know the student and both have enough time to proof whether they would like to work together in the future or not. It is mandatory that the PI can offer a further funding. The stipend holder has to pay for his/her own health insurance.

Registration at the Goethe University is recommended due to insurance policy reasons.

The financing will be:

- 1200 €/ month Stipend
 - 103 €/month for research materials (Sachkostenzuschuss)
 - 150 €/month for day-care (per child)
 - 6 months in maximum
-
